

City Council Goal Setting

Engage the community through a citizens committee to create a new plan to manage **growth** in Carlsbad in a way that maintains an excellent quality of life.

MH KB PB TA MH

Reduce **homeless** unsheltered population, among those who want help, by 50% within five years, with quarterly reports until we decrease the unsheltered homeless population or five years.

KB CS PB TA

In the **Village and Barrio**, expedite the implementation of decorative and safety lighting, parking management, a Grande Promenade study, and the Village and Barrio Master Plan reform package, including a parking structure. *

KB CS

Continue to seek funding for advancement of lowering the **railroad tracks** into a trench.*

* Mayor Matt Hall recused

Continue to cultivate a **prosperous community**.

KB MH

Reduce the number of potential locations for a new **city hall** and civic center from four to two or select a preferred site.

Create a position to lead **diversity, equity and inclusion** within the city organization.

PB

Bring **Fire Department** into conformance with Standards of Cover evaluation.

KB CS PB TA

Conduct a facilitated City Council workshop to work on team building and City Council communication and an ethics ordinance to support the delivery of **superior public service**.

CS TA MH MH

Create a comprehensive **coastal plan**.

Promote **sustainability** and natural resources.
